

# Our Savior Lutheran Preschool Parent Handbook

5101 Dell Range Blvd.  
Cheyenne, WY 82009  
(307) 632-2580

## **The Mission and Ministry of Our Savior through its Preschool**

The work of Christ continues in this world as He works through the church to care for people's bodies and souls. With this in mind, the congregation of Our Savior voted unanimously on June 5, 2011 to affirm that the Our Savior Preschool is the primary mission of this congregation to the Cheyenne community. With this great resolve, the congregation affirmed its past decisions for the preschool and also set a good course for its future as well.

The Preschool of Our Savior is an extension of the congregation. Because of this, the preschool is under the regular oversight of the congregation through its boards and council. Being a mission to the Cheyenne community, it is also under the spiritual oversight of the pastors of Our Savior. The mission and ministry done through the preschool flows out from what the congregation receives from its Lord every week during Divine Services.

There is a two-fold mission and ministry for the Preschool. The focus of this comes from the Post-Communion Collect written by Dr Luther, where we ask God to strengthen our faith in Christ and our love for our neighbor ("faith toward You and fervent love for one another", *Lutheran Service Book page 166*). This is in keeping with the summary of the commandments as Jesus taught them (Matthew 22:37-40).

First, there is faith in Christ. This means that the preschool will seek to teach the children more and more about Jesus. The teaching will be grounded in the Holy Scriptures and in accord with the Lutheran Confessions. The teaching will not only teach about who Jesus is, but about what He has done. It will seek to instill the basic truths of Christianity to the children, including the Ten Commandments, the Apostles' Creed, and the Lord's Prayer. This teaching will involve both regular devotion time, class time, and also weekly chapel times at Our Savior. It is our fervent prayer that the Holy Spirit would use the Word of Christ to strengthen or even create faith in Jesus among the children of our Preschool. Knowing the blessings that are given to us by Jesus in Divine Service every week, we also will seek to invite and encourage the families of our preschool to be fellow partakers of those blessings.

Secondly, we want to emphasize love for the neighbor. The Preschool does this through teaching children the basics of education for this world. These basics form the foundation to our work in any vocation that our Lord gives us in order to benefit our neighbor. All of this teaching for the good of the neighbor will be consistent with our faith in Christ as well, meaning that the teachings of "neighborly" things will conform to the Scriptures teachings about the world around us. A Christian Worldview is a gift which we seek to give to our children so that they can be of great benefit to the neighbors that God puts around them in their lives. To encourage the Preschool in this task, the congregation will seek to provide support and oversight in these matters helping the Preschool be the best it can be in service to the families and children that attend it.

This is the mission of our congregation through the Preschool, to instill the Christian Faith to the children right alongside teaching them the basics of learning that will be the foundation for a lifetime of service to their neighbor. May God bless His work through us, and may He keep us faithful in all things.

### **Policy of Non-Discrimination**

Our Savior Lutheran School admits students of any race, color, national or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at the school. It does not discriminate on the basis of race, color, national or ethnic origin in the administration of its educational policies and other school-administrated programs.

## **Welcome from the Board of Parish Education**

Dear Parents,

We are happy and thankful that you have chosen to participate in a program of Christian Education for your child at Our Savior Lutheran preschool. This handbook has been prepared to acquaint parents with the policies of our school. Please keep it for easy reference.

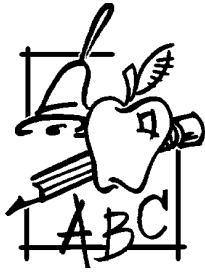

Our Savior Lutheran Preschool is an essential part of the educational program of Our Savior Lutheran Church. It is operated by the church for the children of both Our Savior and the community under the direction of the Board of Parish Education. Our Savior Lutheran School consists of preschool and pre-kindergarten classes.

A school does not take the place of the parent. It continues the work begun by the parent and is therefore a partnership. Our Savior School is designed to get your child off to a good start on his/her journey into learning. Our school attempts to give your child a positive experience in learning, which we hope and trust will grow into a love for learning and a love for one another. In a Christian atmosphere of acceptance and guidance, your child can experiment, make mistakes, and learn from working and sharing with others. Positive experiences in this type of learning will largely determine the children's attitude toward themselves, others and their world for as long as they live.

Great importance to a child's positive experience in learning is a faith in Christ and love of others. We believe that such a faith and love begins with learning about the God who created them, His Son, Jesus Christ, who redeemed them, and the world in which God has placed them.

Yours in Christ,

The Board of Parish Education  
Our Savior Lutheran Church

## Philosophy

We believe that God has given your young child a fantastic potential for becoming a worshipping, creative, successful, serving person.

During the early years of his/her life there is a rapid growth taking place and important habits and attitudes are being formed. These concepts, attitudes and habits will affect your child's personality and his potential to cope successfully in the world.

Our goals are to help each individual child develop into and become the total self God has created him/her to be: to help each child through Our Lord, Jesus Christ; and to assist each child in learning how to live his/her daily life as a child of God. Each child will be guided in love to grow: 1) Spiritually; 2) Cognitively; 3) Emotionally; 4) Socially; 5) Creatively; and 6) Physically.

The more a child knows and understands about his/her world, the more independent and confident he/she can become. How things feel, how they look, and how they relate provide a variety of truths for children to discover. Children do indeed learn by doing, and these basic concepts are the foundation of later academics. Interactions between children, directed by competent teachers, help them develop socialization skills and a healthy identity formed by the Word of God.

Children learn when they are happy. They are encouraged to make choices and feel success each day. At Our Savior, each child is treated as a unique and very special creation of God. Each child needs to be accepted, loved, and to feel secure in their learning environment.

Parents are their child's first teachers. Parents have a God-given right and responsibility to be involved in this learning process with their child. We strongly urge all parents to be involved in the activities of the classroom. Parents are welcome at the school at all times to observe, communicate and/or participate in school activities.

## Goals/Objectives

Our Savior Lutheran School provides a warm and loving Christian environment where the child feels secure and stimulated to discover and explore. The school's goals for your child are:

- ❖ To help the child learn about God and His creation, His love for all in Jesus and His pattern for Christian living.
- ❖ To provide a friendly, warm and secure environment where the whole child: social, intellectual, physical, emotional, and spiritual child, may grow and develop to the best of his capabilities.
- ❖ To provide good outdoor as well as indoor learning activities that allow the opportunity for both fine and gross motor skills to develop.

- ❖ To provide an environment where learning takes place through self-experience by the child with the teacher as the facilitator.
- ❖ To encourage many types of play – individual, small group, and large group - to allow each child the opportunity to gain abilities in social exchange and interaction.
- ❖ To develop and strengthen thinking skills – develop the child's ability to solve problems and become a logical thinker.
- ❖ To make learning an exciting, stimulating, and fun experience that will lay a positive foundation for future successes.
- ❖ To know each child, not only by name, but also by his abilities and needs.
- ❖ To respect each child in the way you want him/her to respect others
- ❖ To encourage the growth of a positive self-image within each child
- ❖ To help each child understand family living and his/her important role in his/her family.
- ❖ To help each child learn to take care of him/herself and his/her possessions.
- ❖ To encourage children to practice good manners and positive communication with others in his/her environment.

### **Christ-Centered Curriculum**

The curriculum of Our Savior Lutheran School is designed to meet the needs of each child. The approach is age-appropriate and caring in a warm positive atmosphere. Activities are provided in our two key focus points. In the area of faith in Jesus, activities include weekly chapel services, daily Jesus Time, and spiritual development through learning God's Word. In the area of love for the neighbor, our activities include listening skills, math, science, art, music, children's literature, concept development, large and small muscle development, health and nutrition.

As each child uses various materials and interacts with other children, the teachers observe, interact and encourage individual children, providing guidance and assistance as needed, to extend the learning experience and enhance to enjoyment of each activity. Please see the back of this handbook for a description of the benefits of a Developmentally Appropriate Curriculum.

*If at any time you are curious as to why your child is doing a certain activity or what your child is gaining from the activity, ask your child's teacher or the Parent Liaison. We will be more than happy to discuss the activity with you and answer any questions you may have.*

## Parent Liaisons

In order to make it easy for parents to give feedback about Our Savior Lutheran Preschool, the Board of Education has created the position of Parent Liaison. There are two liaisons for the parents to contact, either a designated member of the Board of Education or the Associate Pastor of Our Savior Lutheran Church. These two people will be available to hear praise or concerns about the Preschool. They will also seek to address any concerns in a timely manner.

## Preparation for School

- ❖ Teach your child his/her first and last name, parents' names, birthday and phone number
- ❖ Encourage independence and responsibility
- ❖ Label all clothing
- ❖ Talk to your child and encourage him/her to enlarge his/her vocabulary
- ❖ Listen to your child
- ❖ Read to your child daily
- ❖ Take your child places
- ❖ Watch quality TV. shows with your child
- ❖ Play word games with your child
- ❖ Play board games with your child

## After Your Child Starts School

- ❖ Save and display child's work
- ❖ Check his/her bag daily and discuss his/her work, praise and show interest
- ❖ Visit the city library
- ❖ Provide learning and art materials at home and a space for your child to work and experiment
- ❖ Keep your child well rested and healthy
- ❖ Provide opportunities for decision making and let your child share in family responsibilities
- ❖ Know how your child is doing – talk with him/her
- ❖ Don't compare – your child is unique. It is not fair to compare any child to a brother, sister, neighbor, etc. Make clear at all times that you love your child for what he or she is and not for what he or she can do.
- ❖ Spend time with your child and let him/her know you share and care in his/her growth and learning process
- ❖ Listen to your child "with your eyes"
- ❖ "Train up your child in the way he should go and when he is old, he will not depart from it." (Proverbs 22:6)

### **Admission**

Admission to Our Savior Lutheran School is not based upon religious affiliation. Members of Savior Lutheran Church are admitted first and other children are enrolled as space permits according to the policy adopted by the Board of Parish Education. Our Savior Lutheran School does not discriminate by race, color, sex, national or ethnic origin.

### **Age Requirements**

Preschool: A child must be 3 years old on or before September 15 of the year entering school. The child must be potty trained before entering this class.

Pre-kindergarten: A child must be 4 years old on or before September 15 of the year entering school.

### **Class Size**

State Licensing requires the following staff to child ratios and maximum group sizes in a licensed facility:

<b>Ages of Children</b>	<b>Staff/Child Ratio</b>	<b>Maximum Group Size</b>
3 year olds	1 adult to 10 children 2 adults to 20 children 3 adults to 24 children	20
4 year olds	1 adult to 12 children 2 adults to 24 children 3 adults to 30 children	30 (Our space allows for a maximum of 20 children)

### **Class Times**

The preschool class (Ages 3 & 4) meets on Tuesday and Thursday mornings from 8:15 a.m.- 11:15 a.m.

The am pre-kindergarten class (Ages 4 & 5) meets on Mondays, Wednesdays and Fridays. The class meets from 8:15 a.m. – 11:15 a.m.

The pm class (Ages 3, 4 & 5) meets on Mondays, Wednesdays, and Thursdays. The class meets from 12:15 p.m. – 3:15 p.m.

The school should not be considered a babysitting service. Ordinarily, children should not arrive at school before 8:10 a.m. or 12:10 p.m.

## Daily Schedule

Our day in preschool consists of 3 hours of scheduled activities. During this time, we offer activities that may vary from day to day. The activities offered are: Bible time, calendar, free play, large group and small group sessions, story time, snack, music, large and small motor skills development, guest speakers, chapel services, and indoor and outdoor activities. The teachers interact with the students throughout the session. The room is divided into group-time area, block corner, kitchen, discovery table, book corner, art center, learning games area, activity tables, etc. A daily schedule will be posted on the Parent Information Board.

## Snack Time

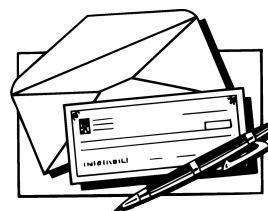

Snacks will be served every day in preschool. Most snacks will be provided by the preschool. Our snacks will be nutritious and served with 100% fruit juice or milk. Snack time is a time when we may try foods your child may be unfamiliar with. This is a great opportunity for him/her to try new foods and to learn table manners, please understand that we cannot serve each child something different. *If your child has special dietary needs, please supply the school with a suitable snack for him or her.* **If your child has any food allergies, please let the preschool know in writing!**

## Tuition/Registration Fee

Registration Fee: A non-refundable \$70.00 fee required when your child is enrolled. It guarantees your child's space in the program.

Preschool Tuition (TTH):	
Our Savior Member	\$110.00 monthly
Non-member	\$130.00 monthly
Pre-kindergarten Tuition (MWF am & MWTh pm):	
Our Savior Member	\$120.00 monthly
Non-member	\$150.00 monthly

### **Tuition Policy: (Adopted by Our Savior Congregation)**

Tuition is due on the 1<sup>st</sup> class period of each month. Reminders will be sent if payment is not received. If payment is not made the child's enrollment will be discontinued. You may pay tuition by the month, the semester, or the year. Checks should be made payable to Our Savior Lutheran and placed in the Tuition Drop Box in the Cubby Room or mailed to:

Our Savior Lutheran Preschool  
5101 Dell Range Blvd.  
Cheyenne, WY 82009.

(Any tuition check returned because of insufficient funds will be handled the same as a non-payment of tuition.) Tuition is required even if you go on vacation during the school year. A two-week notice must be given when a child is withdrawn from the school or you will be responsible for the tuition during that time.

Failure to meet tuition payments or not to make an attempt is cause for concern. Individual cases of hardship will be considered and evaluated by the Board of Parish Education. The purpose of sound financial planning and practices is to make our school run smoothly and efficiently so that we may provide better services to the children and their families.

Unpaid tuition will jeopardize the enrollment for next year.

Children of an extended family who are members but their parents are non-members will pay full tuition. Should a child be under the legal guardianship of a member of Our Savior, they would pay member tuition.

Families who have more than one child enrolled in the program will pay full tuition for one child and ½ tuition for the second child. The full cost will be determined by the highest tuition + ½ of the lowest tuition.

We recognize that the above policies will not cover all situations. Other extenuating circumstances may be discussed with the Director or a Parent Liaison who will then seek guidance from the Board of Parish Education and the Pastors of Our Savior Lutheran Church.

### **New for 2011-2012: Billing for Tuition**

Each month you will receive a bill for the next month's tuition. This bill will also serve as a statement of your previous tuition payments. Please use this bill to determine what your tuition payment should be. Make sure to pay your bill on or before the 1st class period of the month for the next month by either mailing it to the Church office or dropping it off in the Tuition Drop Box in the Cubby Room.

### **Child Abuse/Neglect**

Any teacher/aid who knows or has reasonable cause to believe or suspect that a child has been abused or neglected or who observes any child being subjected to conditions or circumstances that would reasonably result in child abuse or neglect, shall immediately report it to the Child Protection Agency or Law Enforcement Agency. This policy follows state and federal law and is here to protect your child.

### **Problems and Line Authority**

If problems arise, please speak promptly with the Preschool Director/Teacher or a Parent Liaison. The Board of Parish Education is the next level. A Pastor of Our Savior may be consulted at any level.

### **Department of Family Services**

In case of concerns, complaints or problems you feel the preschool has not addressed to your satisfaction, you can contact the Department of Family Services at 777-5151.

## **Discipline**

At Our Savior Preschool we view discipline as a process of disciplining (teaching) the child. This includes the setting of consistent limits and, when necessary, the enforcement of these limits.

The goal for which we strive as we guide children's behavior is the establishment of authority in the child. We want children to become appropriately independent, having the ability to make decisions, to make their needs and wants known, and to accept the natural consequences of their decisions and actions.

At Our Savior Preschool, we view the following as important aspects in the area of discipline:

- ❖ Children will be disciplined with kindness and understanding.
- ❖ Discipline will not be associated with food, rest, or toilet training.
- ❖ Measures that unduly frighten or demean a child will not be allowed.
- ❖ Prohibited physical discipline includes shaking, spanking, hitting, pinching, slapping, twisting, jerking, kicking, and pulling hair.
- ❖ Children will not be subjected to verbal remarks that include belittling or ridiculing them or their families.
- ❖ Only adult staff with direct child care or supervisory responsibility shall discipline children.
- ❖ Children in care shall not act or be employed as staff or be allowed authority over other children.

## **Rules and Child Guidance**

Certain rules are necessary to insure the safety and well being of all children, as well as to provide the best possible atmosphere for learning.

Some of the basic rules for preschool are as follow:

- ❖ Use quiet voices inside.
- ❖ Keep hands to yourself.
- ❖ Put things away.
- ❖ Be careful with sharp objects.
- ❖ Walk in the classroom and hallways.
- ❖ No fighting, pushing, or shoving, even outside.
- ❖ Biting is unacceptable.

The following child guidance techniques guidelines will be used. (Methods of child guidance used in the program will be discussed with each child's parent at the time of enrollment.)

- ❖ We will talk with the child.
- ❖ We will redirect children when they are using inappropriate behavior. We will teach alternate behaviors.
- ❖ We will use "time-outs" when necessary. Time outs will be used when a child poses a threat to him/herself, to others, to the facility, and when steps 1 and 2 failed to change

the behavior. Time-outs will not last longer than the child's chronological age. The child will be directed to sit in a chair away from others in the room.

- ❖ We will separate child from group until he/she is ready to return.
- ❖ We will contact parents if behavior is severe or occurs frequently.
- ❖ No child will be humiliated, shamed, labeled, or emotionally abused.
- ❖ We will stress Christ's firm, but loving discipline at Our Savior Lutheran Preschool.

### **Attendance**

Prompt and regular school attendance will help your child obtain maximum benefits from our preschool program. Valid reasons for a child's absences are illness or death in the immediate family. Parents are expected to call the office at 632-2580 by 8:15 a.m. or 12:15 p.m. to inform the school of the reason for your child's absence. If a child is absent due to illness, please send a written excuse to the teacher upon his/her return. Any child who has a reportable communicable disease is required to present a doctor's statement, authorizing re-admission to school.

### **Health Services and Care**

If your child becomes ill, please let us know. This is especially important in case of a communicable disease such as chicken pox. We can inform the other parents so that they can keep track of the incubation period and be alert for symptoms. The child should be kept at home if there is evidence of a newly acquired cold. The children need to be symptom free for 24 hours before returning to the classroom (this includes fevers and vomiting).

If your child comes down with chicken pox, please keep them home for at least a week after the first symptoms appear. Please make sure all of the scabs are dried and disappearing before your child returns to class.

If a medical emergency should arise during school hours, every effort will be made to contact the parents or guardians of the child, recommended relative or friend, or the child's family physician. If the situation is severe enough, 911 will be called. Your child must be picked up within one hour of our call to you. Until you arrive, your child will be separated from the other children but within sight and sound of an adult.

### **Supervision**

The children are constantly supervised and always play where a teacher can observe them. Dangerous substances are kept out of children's reach.

### **Medications**

Medication can only be administered at school after the staff has the required state-mandated training.

Written instructions must accompany the medicine.

All medicine (prescription and over-the-counter) must be in its original bottle and the labels must be fully legible.

Medicine must be in safety-lock containers, transported and stored safely with regard to temperature, light and other physical storage requirements.

A medication consent form must have been completed by the child's parent/guardian and kept on file at the school.

A written record of medication administered to children will be kept by the preschool. This record will include: the date the medicine was administered, amount of medication given, and the time the child received it.

Medication will be stored:

- a) In a refrigerator separate from food in a sealed plastic container on the top shelf if refrigeration is required
- b) In a cool, dark enclosure which is inaccessible to children
- c) In an area separate from the child care activities but accessible to the person administering the medication

### **Health**

Good health habits are encouraged by the school staff. Children are taught to wash their hands after using the bathroom and before eating snack. Proper steps are taken to disinfect the tables after each class session. If your child has a contagious disease, please inform the school office. By law, notification must be made to other class members. If your child has any allergies, hearing impairments or physical problems, please inform the teacher so she can program for your child.

### **Immunizations**

State law requires all children enrolled in the preschool, to have the proper immunizations. Upon registration, families will receive an immunization form which must be filled out and returned to the center before your child is allowed to attend. You must fill out and sign a waiver if your child is not immunized due to personal or religious convictions.

### **Picking Up Your Child**

You are to pick up your child from the classroom each day. This will give you the opportunity to become better acquainted with your child's teacher and classmates, as well as the other parents. We must have written authority to release your child to anyone other than the persons listed on the enrollment form.

### **Emergency Evacuation**

If for some reason the preschool building needs to be evacuated, we will proceed to the church building. If the church is also deemed uninhabitable, we will walk with the children to Dildine Elementary School located at 4312 Van Buren Ave. Every effort will be made to contact every parent in this situation.

### **Clothing**

We strongly recommend that your child wear play clothes to school. Help your child learn to snap and unsnap clothing to that he/she may be independent of the teacher when taking care of washroom needs. For your child's safety when running on the playground, please have him/her wear rubber-soled shoes. All jackets, coats or boots should fit properly, have zippers that work and be marked with the child's name. Please fasten mittens to coat and make sure your child can put on his/her own boots.

### **Book Bag**

Each child needs a school bag or backpack. We recommend a bag at least 16" X 16". Please make sure that your child can get things in and out of the bag with ease. If it has zippers, snaps, or buttons please help your child master these skills. Write your child's name on the bag.

### **Calendar**

Generally, Our Savior follows the Laramie County I School Calendar. A school calendar will be sent home at the beginning of the school year. Some dates are subject to change and additions may be necessary. You will be notified of such changes.

### **Newsletters**

Weekly newsletters will be sent home by your child's teacher keeping you informed of events, themes, and activities.

### **Holidays**

Holidays celebrated are: Reformation Festival, Thanksgiving, Christmas, Valentine's Day, Ash Wednesday, and Easter. All holidays will be celebrated with Christ-centered activities. As the children experience the church year, they will also join in the celebration of the seasons of the Church (Advent, Christmas, Epiphany, Lent, Easter, Pentecost).

### **Parent Night/Open House/Holiday Programs**

These are special days when parents and other family members are invited into our classroom and church. This is an opportunity for the families, teachers, board members, and pastors to interact on a more personal level. It is a good time for families to get more acquainted with Our Savior Lutheran Church. It is also a time for the children to show their families what makes preschool so special for them. Look on the yearly calendar and the monthly newsletter to find out when these take place.

### **Parent/Teacher Conferences**

A formal conference will take place in the Spring. Informal conferences can take place in the Fall. However, the Preschool Director/Teacher is available at anytime for informal conferences with the parents. Since you will always be your child's most important teacher, we want to work with you to reinforce each other for the benefit of your child. Our pastoral staff is also available for situations where you may need spiritual care. We feel that open and frequent communication is the key to a successful relationship between the school, church, and home.

### **Home Visits**

Throughout the year, each family without a church home will have the opportunity to have a home visit from the Preschool Director/Teacher and one of the pastors from Our Savior. This home visit is designed to help you get to know us and for us to serve your family. Other families may also request a home visit if they so desire.

## **Birthdays**

All children take pride in serving a treat from home on their special day, and birthdays are fun to share with friends! We do ask that you give the teacher prior notice when bringing a snack for your child's birthday. Cupcakes are ok (especially if your child is set on cupcakes!) however they can be very messy and difficult for preschoolers to eat. Cookies or something healthier are better options. Summer birthdays can be celebrated in the Fall or the Spring, whenever it is convenient for the parent.

## **Baptism Birthdays**

We would also like to celebrate the day your child was baptized. We will be sending home a special letter for you to read and fill out with your child's name and date of baptism. We will then have a special celebration and gift for your child at school.

## **Weather/School Closings**

In severe weather, listen to the Cheyenne radio stations for information. If the Laramie County I schools are closed, we too are closed. If school closes during the day due to severe weather, radio stations will be contacted and the school will attempt to contact the parents by phone.

Parents have the primary responsibility for deciding if they should send their children to school in bad weather. Parents may also pick up their children any time during the day if bad weather threatens.

## **Worship Opportunities for Your Family**

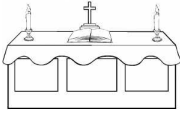

Our Savior Lutheran Church invites you to join us for worship services, Bible classes, Sunday School and fellowship each week. Services at Our Savior are held on Sundays at 8:00 a.m. and 10:45 a.m. and on Mondays at 7:00 p.m. Education Hour is held on Sunday mornings in between church services.

If you are interested in membership or would like more information about our congregation, please call either Pastor Mills or Pastor Scheer at 632-2580 (office) or by email:

Pastor Mills— [pastormills@oursaviorcheyenne.org](mailto:pastormills@oursaviorcheyenne.org)

Pastor Scheer— [pastorscheer@gmail.com](mailto:pastorscheer@gmail.com)

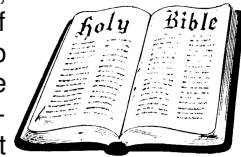

## Chapel Services

Our Savior Lutheran Preschool is a Lutheran Preschool, devoted to teaching our children about faith in Jesus and also love toward their neighbor. A crucial part of both of these things is regular chapel services. During chapel services, the children will be learning the hymns of the Lutheran faith as well as hearing sermons preached so that they can understand the great gift of God in Christ Jesus.

*Some additional notes about our services:*

Services will reflect Lutheran beliefs and practices, Jesus will be taught as the one and only Savior of humanity. The Word of God, the Sacrament of Holy Baptism and the Sacrament of the Altar will also be taught about since that is how Jesus comes to us through time and space to bring us the forgiveness of sins that He earned for us long ago. The Lutheran distinctions of grace alone, faith alone, Scripture alone, and Christ alone will be taught. Throughout it all, children will be taught from God's Word about Jesus.

Services will follow the regular lectionary of Our Savior Lutheran Church. This means that each week they will hear lessons from Scripture which will be used again on Sunday morning services. The connection is best made when the family attends Our Savior's Divine Services on Sunday so that the child can receive reinforcement of what they learned earlier that week.

Services will also follow a set order, or liturgy. The richness of the week-in, week-out nature of the liturgy serves to teach through repetition. This means that the children will learn parts of the Scripture from just being a part of chapel services every week. These parts will include the Ten Commandments (to show us our sin), the Apostles' Creed (to show us our Savior), and the Lord's Prayer (to teach us how to pray), all key components of the daily life of a Lutheran.

*A note to parents: At any time a parent is free to contact the Associate Pastor of Our Savior to discuss what is being taught in chapel services.*

## Parent Resources

Our parent library is available to you. It is located in the Cubby Room. We have a variety of resources that you may check out. The Parent Information Board contains our license and any licensing violations as well as other pertinent information.

Our pastors are also a resource for you. They have been trained in many things and have been given the task from God to care for souls. If you are looking for spiritual direction, come and talk to one of our pastors. They are here for you and your family.

## No Smoking

There is no smoking allowed on or in the premises of Our Savior Lutheran Preschool.

## **Firearms**

No firearms or weapons are stored on the preschool premises. No firearms or weapons are allowed on the preschool premises without prior written consent of the church.

## **Developmentally Appropriate Curriculum**

### Values of Jesus Time

- Allows children to view and model worshipping and praising our Lord.
- Develops an appreciation for taking special time out for Jesus
